Is registering to use the Arise Platform right for you?

Please make sure you read this thoroughly.

I understand that by registering to use the Arise Platform, I will not be an employee of Arise, and the services rendered through the Arise Platform do not establish any employment rights with Arise.

I understand that I will be required to provide all services from a physical location within the United States.

I understand that agents working for call center companies are paid by the call center companies they work for, not Arise.

NON-DISCLOSURE AGREEMENT

This Non-Disclosure Agreement (the "Agreement") is made and entered into as of January 19, 2019 between Arise Virtual Solutions Inc. ("Arise") and JOHN SMITH ("Receiving Party").

WHEREAS, the Receiving Party desires to become a "Client Support Professional"; and

WHEREAS, in connection therewith, Arise may disclose Confidential Information (as defined in Section 1 below) to Receiving Party; and

WHEREAS, Arise and Receiving Party (collectively referred to as the "parties" and individually referred to as a "party") desire to establish terms governing the use and protection of such Confidential Information.

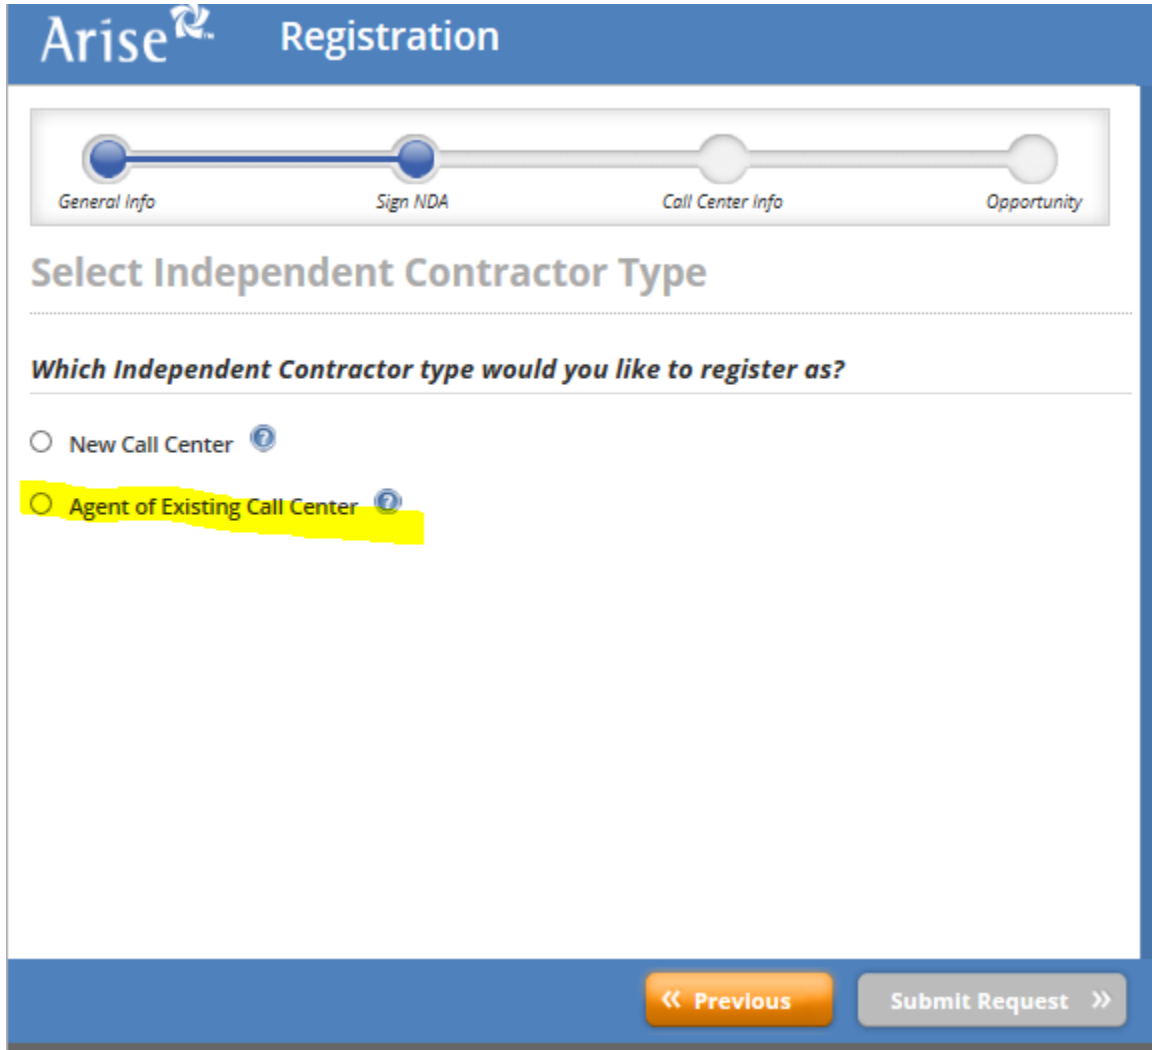

NOW THEREFORE, in consideration of the foregoing and the mutual promises and covenants set forth herein, and other good and valuable consideration, the adequacy of which is hereby acknowledged, the parties agree as follows:

1. "Confidential Information" means all information, materials, documentation and data furnished and disclosed by Arise or any third party client that receives customer care solutions through Arise pursuant to the terms of an agreement between such client and Arise (an "Arise Client" or "Client") to Receiving Party, whether in oral, written, graphic or machine-readable form, including but not limited to, products and services, intellectual property, distribution channels, strategic alliances, marketing plans, software codes, designs, procedures, processing flowcharts, configurations, formulas, discoveries, inventions, improvements, concepts, ideas, customer lists, business plans, contacts and other business and technical information, except for such information and data as the parties agree in writing is not proprietary or confidential. Confidential Information shall also include information and materials in Arise's possession, custody or control for any other person or entity that Arise is obligated to treat as confidential or proprietary. Confidential Information shall also include credit/debit card numbers and other credit/debit card data of any person who provides such information to Arise or any Receiving Party, in connection with the provision of CSR Services. Confidential Information shall also include all information specific to any Arise Client's business processes, systems, and information about such Client's customers including but not limited to information such as a
